

DIRECTIONS TO SEATON SHOOTS | SEATON ART STUDIO

We are located in downtown Knoxville, TN. about 5 minutes from the Convention Center on Henley. Our address is **16 Emory Place (we are Suite 300)**. The easiest way to get here is via Henley Street.

If driving E on I-40, take exit 388 (US-441, towards downtown). Keep right @ the fork, & follow the signs for Summit Hill exit. Turn left @ Western Avenue (the 1st light), & left again (north) on Henley, which turns into Broadway once it crosses Western Ave. @ Summit Hill. You will cross the bridge over the railroad tracks, & you can see the spires of St. John's Lutheran Church ahead of you as you're driving. (Gray stone building). You will cross the 4-way intersection with stop-light @ 5th Ave., & the church will be just ahead on your right. Emory Place is just past the church - turn right onto Emory Place, and you will be facing the 3-story, red-brick building where we are located (it has white lettering on the side of the building that says '16 Emory Place'). You will need to 'jog' slightly to the right to get beside the building (its actually on King St.), where there is street parking.

We also have a parking lot just past the building, on the left. **Our door is close to the parking lot, on the side of the building** - there is a door phone there, & a semi-circular awning over the door.
